

Bow Tie Class BiPass Approval

The Legends Judge noted below, has evaluated the following car, and has found that it meets the overall criteria and quality to enter directly into one of the *Legends* classes, without first progressing through the related *Bow Tie with Legends Check* class.

This approval does not assure or guarantee a specific score or award, but does reflect that at the time of inspection, the vehicle has been found to have been maintained or restored to an accuracy level that should allow it to move smoothly through the *Legends* scoring system.
